IN THE SUPERIOR COURT OF THE STATE OF ARIZONA

IN AND FOR THE COUNTY OF MARICOPA

IN RE THE GENERAL ADJUDICATION OF ALL RIGHTS TO USE WATER IN THE GILA RIVER SYSTEM AND SOURCE	W1-00-001234 (Consolidated) Contested Case No. **W1-11-002739** **ORDER FOR REVISED ABSTRACTS**

CONTESTED CASE NAME: *In re ASLD – D.M. Martin*

HSR INVOLVED: San Pedro Hydrographic Survey Report

DESCRIPTIVE SUMMARY: The Arizona State Land Department shall file revised abstracts no later than **December 4, 2026.**

NUMBER OF PAGES: 3

On October 30, 2026, the Arizona State Land Department ("ASLD") filed a status report indicating how the agency intends to resolve discrepancies in draft abstracts filed by ASLD in August 2026. For good cause shown,

IT IS ORDERED:

1) Stockwatering abstracts which feed stockponds may reference the stockpond location as the place of use and point of diversion so long as the map depicts the full extent of the stream within the Arizona State Trust Land and it is clear where the stream enters and exits the Arizona State Trust Land.

2) Potential water rights ("PWRs") SW012 and SW014 may continue as separate water rights if ASLD can clearly show they represent different locations. However, if SW012 and SW014 are truly for the exact same location, they should be merged.

3) All revised draft abstracts ASLD would like to file with the Special Master must be filed no later **December 4, 2026.**

Signed this 5th day of November, 2026.

Sherri L. Zendri
Special Water Master

On November 5, 2026, the original of the foregoing was delivered to the Clerk of the Maricopa County Superior Court for filing and distributing a copy to all persons listed on the Court-approved mailing list for this contested case, a copy of which is attached.

Emily Natale
