

About the Program

Speakers Program

CourtTalk was created to educate and inform the community about the justice system

We will provide a speaker to present thought-provoking and important information appropriate to your audience.

However, the judicial code of ethics prevents court officials from talking about pending court cases.

We look forward to assisting you in promoting and enhancing public understanding of the Judicial Branch.

If there is a particular topic you would like covered that is not listed on this brochure, please let us know.

How to Schedule a CourtTalk:

By Phone:

Call 506-TALK (506-8255) and leave a voice mail message and the Court's Community Outreach Department will contact you.

CourtTalk Speakers Program

TOPICS

The Judicial Branch of Arizona in Maricopa County is committed to supporting and participating in public education programs designed to enhance understanding of our justice system. The Superior Court and Justice Courts are the major trial courts in the valley handling a variety of cases, including civil and criminal matters.

Our Speakers Program, “CourtTalk,” consists of Superior Court Judges, Commissioners and Administrators who are available to speak on a wide range of court-related topics.

Our Court is recognized as one of the most innovative courts in the country by many national public safety and justice groups. We are dedicated to improving public access and educational opportunities. We would enjoy the opportunity to share information about our court with you. Thank you for your interest.

Sincerely,
Presiding Judge
Barbara Rodriguez Mundell
