

W1-203 & W1-206
Court-approved Mailing List
and Parties Participating in Disclosure

The case commencement order for W1-203 (June 3, 1996) specified that the Court-approved mailing list (CAML) for the case would be the most recent CAML for W-1, W-2, W-3, W-4 (Consolidated). The minute entry of March 9, 1998, clarified that only certain parties actively participating in W1-203 must receive disclosure documents while all others on the W-1, W-2, W-3, W-4 (Consolidated) CAML should receive notices of disclosure.

For case no. W1-206, on January 4, 2000, the Special Master ordered disclosure requirements similar to the requirements in W1-203, including use of the W-1, W-2, W-3, W-4 (Consolidated) CAML and disclosure documents served on the shorter list of active participants.

Please contact the office of the Special Master to obtain a list of the parties participating in disclosure of information in cases no. W1-203 and W1-206.
