The Maricopa County Public Defender requests that the 58 cases identified in the proposed Administrative Order, attached to this request, be transferred from the Public Defender's Office, to the Legal Advocate's Office, the Legal Defender's Office, and if necessary the Office of Public Defense Services. This request is being made for the reason that the identified cases cannot be assigned within the Public Defender's Office because of ethical limitations on attorney workload. We further ask that the Order be filed as a publicly available document and not be filed under seal.

RESPECTFULLY SUBMITTED this 24th day of July, 2023.
