Re: Status Conference

MINUTE ENTRY

Central Court Building – Courtroom 301

9:15 a.m. This is the time set for a telephonic status conference before Special Water Master Susan Harris.

A record of the proceedings is made digitally in lieu of a court reporter.

The following parties and counsel appear telephonically: Kimberly Parks on behalf of the Arizona Department of Water Resources; Brad Pew on behalf of ASARCO; John Burnside appearing for BHP Copper, Inc.; and Mark McGinnis on behalf of Salt River Project.

LET THE RECORD REFLECT that neither Thomas Farnsworth, nor Leora Farnsworth are present telephonically, nor are they represented by counsel or any other person claiming to represent their interests.

LET THE RECORD FURTHER REFLECT that in addition to the copy of the Order setting the hearing being sent by regular mail, the Court sent a copy of the Order setting the hearing by certified mail to Thomas and Leora Farnsworth, which was delivered on February 19, 2019, and signed for by E. Chester.

This hearing was set to give the Farnsworths a second opportunity to indicate their intentions to pursue their claims for water rights and address the Court and provide notice as to why the Court should not dismiss the Statements of Claimant that the Farnsworths filed with respect to water rights in:

39-5474; 39-5475; and 39-5476

Due to the non-appearance of Claimants, Thomas Farnsworth and Leora Farnsworth, and non-appearance of counsel on their behalf or any other person claiming to represent their interest,

IT IS ORDERED dismissing the above statements of claimant.

IT IS FURTHER ORDERED that the Court will take no further action with respect to the potential water rights identified in watershed file report: 112-17-BAA-002.

None of the objectors have comments.

9:17 a.m. Matter concludes.

A copy of this order is mailed to all persons listed on the Court approved mailing list.
