IN THE SUPERIOR COURT OF THE STATE OF ARIZONA  
IN AND FOR THE COUNTY OF MARICOPA

IN RE THE GENERAL ADJUDICATION  
OF ALL RIGHTS TO USE WATER IN THE  
GILA RIVER SYSTEM AND SOURCE

CONTESTED CASE NO. W1-11-3310

ORDER RE PROPOSED ABSTRACTS;  
ASSIGNMENT TO TRACK 1; AND  
SETTING A STATUS CONFERENCE

CONTESTED CASE NAME: *In re Larsen.*  
HSR INVOLVED: San Pedro River Watershed Hydrographic Survey Report.  
DESCRIPTIVE SUMMARY: Proposed abstracts prepared for *de minimis* domestic uses; extension granted to enter stipulated agreement with respect to claims made by the trustees of the Hedrick-Gorman Trust; order issued assigning Larsen claims to Track 1 procedures; and status conference set.  
NUMBER OF PAGES: 15  
DATE OF FILING: May 14, 2018

On December 18, 2018, Arizona Department of Water Resources (ADWR) filed a corrected WFR 115-04-ADA-001 to include additional points of diversion and created a new WFR 115-04-ADA-003. Copies of the WFRs are attached as Appendix A. The new WFR 115-

1 04-ADA-003 was created based on the statement of claimant filed by Mary Kathleen Larson on  
2 October 24, 1988. The 1988 filing reported a transfer of 5.57 acres to Mary Kathleen Larson  
3 along with updated locations and water rights associated with the parcel. The filing was not  
4 processed with a new statement of claimant number or as an amendment to existing statements of  
5 claimant of record. As a result WFR 115-04-ADA-001 issued in 1991 did not accurately identify  
6 the ownership of land. To properly reflect the ownership of land, ADWR has corrected WFR  
7 115-04-ADA-001 and created WFR 115-04-ADA-003 associated with the 1988 Larsen statement  
8 of claimant that has been numbered 39-17921.

9  
10 **WFR 115-04-ADA-001**

11 The corrected watershed file report lists one potential domestic use and two potential  
12 irrigation uses. On May 1, 2018, counsel for Philip Hedrick and Cathy Gorman,  
13 individually and as the trustees of the Hedrick-Gorman Trust dated June 26, 2013, filed a  
14 notice of a tentative settlement and requested an additional 60 days to submit an executed  
15 agreement to resolve objections to water rights. Attached to the request was a claim for  
16 domestic, stock watering and irrigation use.

17 The claim for domestic use is for one acre foot annually, which is consistent with  
18 WFR 115-04-ADA-001 and qualifies as a *de minimis* use. The Memorandum Decision,  
19 Findings of Fact, and Conclusions of Law for Group 1 Cases involving Stockwatering,  
20 Stockponds, and Domestic Uses, dated November 14, 1994, amended February 23, 1995,  
21 approved and modified September 27, 2002 (“Decision”) established the procedures for  
22 adjudicating *de minimis* water rights for claims in the San Pedro watershed. The Decision  
23 directs that proposed water right abstracts be prepared for the *de minimis* claims after which  
24 litigants will have the opportunity to submit corrections to clerical mistakes in the proposed  
25 abstracts. Decision, p. 47. Thereafter, the abstracts will be included in a catalog of  
26 proposed water rights where they will be subject to very limited set of objections and  
27  
28

1 ultimately included in a final decree. As directed by the Decision, a proposed abstract for  
2 the domestic use has been prepared and is attached as Appendix B.

3 Accordingly for good cause shown,

4 **IT IS ORDERED** that the parties shall have until June 29, 2018, to file suggested  
5 corrections to the proposed abstract for domestic use and to resolve objections to the remaining  
6 claims, file an executed agreement and proposed abstracts. Each water right shall be the subject  
7 of a separate proposed abstract.

8 **IT IS FURTHER ORDERED** that if the parties do not file an agreement with  
9 respect to the remaining claims, the parties shall attend a status conference on July 11, 2018,  
10 at 1:30 p.m. in the Superior Court of Arizona, 201 West Jefferson Street, Courtroom 301,  
11 Phoenix, AZ 85003-2202 to schedule further proceedings in this matter. The status  
12 conference with respect to **WFR 115-04-ADA-001** will be vacated if a timely settlement  
13 agreement is filed.

14  
15 **WFR 115-04-ADA-003**

16 The new WFR 115-04-ADA-003 lists one domestic use and one irrigation use. A  
17 domestic use qualifies as a *de minimis* use under the Decision. A proposed abstract has been  
18 prepared for the *de minimis* claim and is attached as Appendix C. Based on representations  
19 from Richard McQuillan, Mary K. Larsen has recently died. As a result, the name of the owner  
20 of the water right and landowner will not be completed until the personal representative of the  
21 Estate of Mary Larsen or other properly authorized individual provides the requisite information  
22 about ownership.

23 Counsel for Philip Hedrick, Cathy Gorman and the Hedrick-Gorman Trust dated June 26,  
24 2013 represented that the parties are close to an agreement and proposed that the case be  
25 assigned to Track 1 under the Rules for Proceedings Before the Special Master.<sup>1</sup> Track 1  
26

27  
28 <sup>1</sup> A copy of the Rules for Proceeding before the Special Master can be found on the website:

1 requires that a meeting be held for all litigants and their attorneys, if any, and ADWR to clarify  
2 the objections and determine whether the objections can be resolved by amendment to the  
3 Statements of Claimant or by an agreement between the litigants.

4 Accordingly,

5 **IT IS FURTHER ORDERED** that the parties shall have until June 29, 2018, to file  
6 suggested corrections, included ownership information, to the proposed abstract for domestic  
7 use.  
8

9 **IT IS FURTHER ORDERED** that ADWR shall hold a meeting with the claimants and  
10 the objectors no later than June 29, 2018. At the conclusion of the meeting, ADWR shall file a  
11 Meeting Report pursuant to Rule 8.02[1][c].  
12

13 **IT IS FURTHER ORDERED** the parties shall attend a status conference on July 11,  
14 2018, at 1:30 p.m. in the Superior Court of Arizona, 201 West Jefferson Street, Courtroom 301,  
15 Phoenix, AZ 85003-2202 to schedule further proceedings in this matter.

24 On May 14, 2018 the original of the  
25 foregoing was delivered to the Clerk of the  
26 Maricopa County Superior Court for filing  
27 and distributing a copy to all persons listed
