In re: Status Conference

**MINUTE ENTRY**

**Courtroom: CCB 301**

11:10 a.m. This is the time set for a status conference before Special Water Susan Ward Harris regarding *Pima County Regional Flood Control District's Proposal On Objections and Arizona State Land Department's Report Regarding Ownership of Land Identified in WFR No. 113-12-BA-012.*

The following attorneys and parties appear in-person: Michael Foy and Mark McGinnis on behalf of Salt River Project.

The following attorneys and parties appear telephonically: Michael McNulty and Michael LeBlanc on behalf of Pima County Flood Control District; Joe Sparks on behalf of San Carlos Apache Tribe and Tonto Apache Tribe; Kimberly Parks on behalf of AZ Department of Water Resources (ADWR); Carrie Brennan on behalf of AZ State Land Department; and Jay Tomkus on behalf of the Pascua Yaqui Tribe and Yavapai-Apache Nation.

Court reporter, Celeste Paxton Jones, is present and a record of these proceedings is made digitally.

Discussion is held concerning the Pima County Flood Control District's (the District) proposal to have ADWR amend Watershed File Report (WFR) 113-11-002.

Mr. Leblanc indicates that the District is claiming stock water PWR113-11-002-SW001. Additionally, the District requests that Statement of Claimant (SOC) 39-17903 should be dismissed.

IT IS ORDERED dismissing **SOC 39-17903**.

IT IS FURTHER ORDERED directing ADWR to prepare an amended WFR 113-11-002 by April 2, 2018.

Discussion is held concerning the filing of amended objections.

IT IS FURTHER ORDERED that Objectors shall file their amended objections to amended WFR 113-11-002 by April 23, 2018.

Further discussion is held regarding the District's request to have ADWR amend WFR 113-12-BA-012 because the District has substantially amended its Statements of Claimant.

IT IS FURTHER ORDERED directing ADWR to prepare an amended WFR 113-12-BA-012 by April 23, 2018. Objectors are to file their amended objections to amended WFR 113-12-BA-012 by May 21, 2018.

The Court notes that in the District pleadings there were two additional WFRs that may come in to play: 113-12-021 and 113-12-022. The Court inquires if the District owns the land referenced in these two WFRs.

Mr. Leblanc states the claim he is referring to is for stock watering in SOC 39-2768. It appears that particular SOC is on District land. He indicated that he wasn't certain if the District owned all of the land associated with the WFR. However, the District is not going to pursue SOC 39-2768 as it was never assigned to Pima County.

IT IS FURTHER ORDERED consolidating WFR 113-12-021 with this case. The mailing list is to be amended if there are new objectors and land owners.

In regards to WFR 113-12-022, it appears that the land belongs to the State Land Department and will not be consolidated into the case.

Ms. Brennan requests to stay on the Court's mailing list.

Further discussion is held regarding the Court's mailing list. Attorney Patrick Barry from the United States Department of Justice will be included on the mailing list.

11:26 a.m. Matter concludes.
