IN THE SUPERIOR COURT OF THE STATE OF ARIZONA
IN AND FOR THE COUNTY OF MARICOPA

IN RE THE GENERAL ADJUDICATION
OF ALL RIGHTS TO USE WATER IN THE
GILA RIVER SYSTEM AND SOURCE

CONTESTED CASE NO. W1-11-1676
(Consolidated)

ORDER TO FILE STATEMENTS OF
CLAIMANT AND TO AMEND
MAILING LIST

CONTESTED CASE NAME: *In re Pomerene Water Users Association.*

HSR INVOLVED: San Pedro River Watershed Hydrographic Survey Report.

DESCRIPTIVE SUMMARY: Statements of Claimant required from landowners associated with watershed file reports for which no Statements of Claimant have been filed who desire to assert water rights.

NUMBER OF PAGES: 20

DATE OF FILING: January 24, 2018

Arizona law requires that persons who desire to obtain a water right must file a Statement of Claimant with the Arizona Department of Water Resources (ADWR), have a valid Statement of

1 Claimant filed on his or her behalf or receive an assignment of an existing Statement of Claimant.
2 Ariz. Rev. Stat. §45-254. It then requires that ADWR prepare a report that analyzes claims or
3 water uses investigated. Ariz. Rev. Stat. §45-256(B). This case originally began in 1994 to
4 consider the reports prepared by ADWR about water rights for land that received irrigation from
5 the Pomerene Canal.

6
7 Thirty one landowners were subsequently dismissed from the case based upon their
8 representations or a finding that they had no interest in the water diverted from the Pomerene
9 Canal. When the proceedings in this case resumed in 2017, a status conference was held on June
10 28, 2017, to establish a process to identify those landowners interested in asserting rights to water
11 diverted from the Pomerene Canal for irrigation uses. The Order setting the status conference
12 was mailed to all persons listed on the April 1995 mailing list, the original landowners and lessees
13 who were not dismissed, and to persons who may be successors-in-interest to the original
14 landowners based on an examination of Cochise County property tax records and documents filed
15 with the Cochise County Recorder.

16
17 Following the status conference on June 28, 2017, an order dated July 26, 2017, was issued
18 directing that any party who had not filed a Statement of Claimant, obtained an assignment of an
19 existing Statement of Claimant, or had a Statement of Claimant filed on his or her behalf and
20 intends to assert a claim for a right to water diverted through the Pomerene Canal for irrigation use,
21 shall file a Statement of Claimant with ADWR by October 9, 2017, or appear in person, through an
22 authorized representative, or telephonically at a October 18, 2017, status conference and express an
23 intent to assert a right to water diverted from the Pomerene Canal.

24
25 The newly formed Board of the Pomerene Water Users Association appeared at the October
26 18, 2017, status conference represented by counsel who requested additional time to identify those
27 landowners whose claims for water rights would be asserted by the Pomerene Water Users
28

1 Association. On December 21, 2017, the Pomerene Water Users Association timely filed a list of
2 26 landowners who it would be representing, a copy of which is attached as Attachment A.
3 Included in that list is Brendan Tammetta with respect to Watershed File Report 112-17-BAA-062,
4 previously associated with Chet and Erika Judd. Based on records maintained by the Cochise
5 County Recorder's Office, River and Brendan Tammetta acquired tax parcel 208-44-007C-3 from
6 Chet and Erika Judd by deed recorded on July 28, 2017. Amended lists of landowners and
7 associated watershed file reports are attached as Attachment B. Water rights for the 26 landowners
8 represented by the Pomerene Water Users Association will be considered in this case and all
9 further mailings in this case to those 26 landowners will be directed to counsel for the Pomerene
10 Water Uses Association. Accordingly,

11
12 **IT IS ORDERED** that the Court-approved mailing list shall be amended.

13
14
15 This case includes five watershed file reports for which no landowner has filed a Statement
16 of Claimant: 112-17-ACB-003, 112-17-BAA-025, 112-17-BAA-037, 112-17-BAA-208, and 112-
17 17-BAA-209. The Pomerene Water Users Association has indicated that it is acting on behalf of
18 the landowners connected with watershed file reports 112-17-BAA-208 and 112-17-BAA-209.
19 The landowners for the three remaining watershed file reports are:

5 Copies of the three watershed file reports are attached as Attachment C. A copy of the Order,
6 dated July 26, 2017, was mailed to each of the above landowners at the address maintained by the
7 Cochise County Assessor's Office, listed on deeds recorded in the Cochise County Recorder's
8 Office or in the case of Patagonia Property Development, LLC, the address on file with the
9 Arizona Corporation Commission. None of the above-listed landowners filed a Statement of
10 Claimant with respect to the use of irrigation water from the Pomerene Canal for use of the land
11 identified in the watershed file report or appeared at the status conference to express an intent to
12 file a Statement of Claimant. It may be that while the property owned by the landowners is in the
13 vicinity of the Pomerene Canal, the landowners do not anticipate using water diverted and
14 distributed by the Pomerene Water Users Association and thus have no interest in water rights for
15 irrigation use. Accordingly,
16

17
18 **IT IS ORDERED** that the landowners listed above shall be dismissed from this consolidated
19 case and be adjudicated as having no interest in water diverted or distributed by the Pomerene
20 Water Users Association unless they file a Statement of Claimant with the ADWR by **August 31,**
21 **2018**, or the Pomerene Water Users Association files a Statement of Claimant on their behalf with
22 the ADWR by **August 31, 2018**.
