The Special Master addresses the parties regarding a small administrative change in the contested case numbers. The parties are advised that moving forward, all contested cases in regards to the general adjudication of all rights to use water in the Gila River System and Source will have two leading zeros, i.e. W1-11-1508 will become W1-11-001508.

The Special Master notes that it received a packet of information from Mr. Mason. He confirms that he only provided the information to ADWR and the Special Master’s office. The information will be provided as an attachment to today’s Minute Entry, however Mr. Mason is advised that he must copy everyone on the Court Approved Mailing List (“CAML”) for this contested case in the future.

Counsel Nielsen indicates that she did not receive an email regarding Mr. Mason’s application and will research it further.

Ms. Brien states that she sent in her Basis of Right application and is waiting for receipt confirmation from ADWR.

Ms. Bidegain states that she sent additional historical information to ADWR for pre-1919 use but has not sent in her 36 filing yet.

Ms. Parker states that she sent in an updated Application with more historical information.

Mr. Rasch (Marc) states that he submitted and got approved for a building permit for his property that includes water. The Special Master clarifies that he will still need to go through this process as he is getting his water from the well.

Mr. Rasch (Kevin) states that he submitted a Statement of Claimant but not the Basis of Right form.

Discussion is held regarding the well share.

Counsel Nielsen adds that she has not received any surface water filings for Ms. Bidegain and Ms. Cantrell.

IT IS ORDERED that all parties must submit his or her Statement of Claim or Application for Permit to ADWR on or before **November 21, 2025**. This includes Marc and Kevin Rasch, as well as any other landowners who have not submitted their documents to ADWR.

IT IS FURTHER ORDERED that Marc and Kevin Rasch (and any other landowner that has submitted something to ADWR after today's hearing) file with the Court notice that everything has been submitted to ADWR on or before **December 1, 2025**. The Notice must be copied to all parties on the Court Approved Mailing List for this contested case.

IT IS FURTHER ORDERED that ADWR provide an update regarding processing and if any additional information has been requested of the landowners on or before **January 30, 2026**.

11:25 a.m. Matter concludes.

A copy of this order is mailed to all persons listed on the Court-approved mailing list.

The legal basis for the claim, is as follows for Parcel # 208-26-013Q:

Local Arizona custom and the doctrine of prior appropriation before June 12, 1919, was that a person who first puts water to a beneficial use acquires a right that is senior to later appropriators of water.

Arizona Revised Statute § 45-151(A) defines beneficial uses as "...domestic, municipal, irrigation, stock watering, water power, recreation, wildlife, including fish, nonrecoverable water storage pursuant to section 45-833.01 or mining uses."

A portion of land now in Cochise County was sold to Mr. Romualdo Torres in 1884, consisting of 160 acres of the E ½ of the NE ¼, and the E ½ of the SE ¼, of section 17 in township 16S, range 20E of The Gila and Salt River Meridian, in Arizona Territory. Federal Land Patent # AZAZAA011894 (Attachment A, pages 1 & 2).

Mr. Romualdo Torres, was present in and settled the Tres Alamos /Benson region of Cochise County dating back at least as far back as 1880 with wife and son, as listed in the 1880 Census (Attachment A, page 3), and the 1900 United States Census (Attachment A, pages 14 & 15) of the area of Tres Alamos region along the San Pedro River, describing Mr. Torres' occupations as a Farmer and Cattle Raising respectively. Additional supporting documents included are the Great Registers of Cochise County, Arizona, dating from 1882 through 1904 (Attachment A, pages 4, 7-13, & 16-18) , demonstrating Mr. Torres as residing in the Tres Alamos/Benson area and his occupation as a Rancher and Farmer respectively. These historical documents establish that Mr. Torres had put water to beneficial use through domestic, irrigation, and stock watering application by occupation as a rancher and farmer, on said land, and became married to and resided with Jacinta Corunna there in Tres Alamos as documented in "Arizona, Marriages, 1865-1949", (Attachment A, pages 5 & 6).

Additional historical articles describe Mr. Torres residing in the area including the "Notice of Transmuted Homestead Proof," *Tombstone Epitaph*, October 8, 1887 (Attachment A, page 15), where he is named as a witness for proof of claim for a fellow Tres Alamos resident. Another news article "Benson Races," *Arizona Range News*, November 16, 1897 (Attachment A, page 16), describes that Mr. Torres' palomino pony won a local horse race, indicating that he owned at least one horse as well, another type of livestock requiring beneficial use of water to maintain.

Parcel # 208-26-013Q consists of a portion of the 160 acres previously owned and settled by Mr. Romualdo Torres. See Attachment B, pages 1, 2 & 3.

Historical date considerations: Arizona became a state in 1912, prior to this it was Arizona Territory. Cochise County was established in 1881, and was formerly part of Pima County, with land documents recorded in Tucson Arizona Territory. The Tres Alamos area near Benson, described in these historical documents, was settled by Mexican farmers and ranchers in the 1800s and is located just north of Benson along the San Pedro River. (see map, Attachment B, page 4).

Also of note are the remnants of an all wood livestock corral, typical of the 1800's southwest, and a very old stock watering tank, located on the property formerly owned by Mr. Romualdo Torres, just adjacent to Parcel #208-26-013Q (Attachment B, pages 5,6 & 7)

Legend for maps in Attachment B:

- 160 acre plot formerly owned, farmed and ranched by Mr. Romualdo Torres.
- Subject parcel # 208-26-013Q
- Tres Alamos area
- Historic wooden livestock corral
- Historic stock watering tank

BENSON RACES.

In the race at Benson, Sunday, between Louis Marion's sorrel and Pacheco's stallion, one-fourth mile for \$150, the Pacheco horse took the purse.

Another race was arranged between Romaldo Torres' palomino pony and Sisto Gastello's buckskin, and resulted in a victory for the former. Purse \$25.

Marion's sorrel and Chino Orosco's palomino mare, were billed to contest today for a purse of \$150.

Another important race is set for Nov. 25, Thanksgiving day.

Advices from Benson state that the town is full of race horses and stable accommodations are at a premium. Considerable money has changed hands and when that fails cattle are freely staked on the issue of a short race. Jas. J. Kennedy has a string of four horses which he is willing to back, and there are a number of speedy animals from outside points. Most of our valley sporting men who went over placed their money on the Marion colt and made a losing.
