12 Contested Case No. W1-11-232

13 **CORRECTING ORDER**
14

15 CONTESTED CASE NAME: *In re San Pedro Riparian National Conservation Area*

16 HSR INVOLVED: San Pedro River Watershed Hydrographic Survey Report

17 DESCRIPTIVE SUMMARY: This Order clarifies deadlines and corrects the trial date
18 associated with the March 3, 2025 Order issued by this Court.

19 NUMBER OF PAGES: 2

20 On March 3, 2025, the Court issued an Order Approving United States Proposed
21 Schedule with Modifications (“Order”). The descriptive summary of the Order incorrectly
22 stated that Arizona Department of Water Resources (“ADWR”) was to file amended
23 watershed file reports by April 28, 2025. The correct deadline for ADWR to file amended
24 Watershed File Reports is **September 22, 2025**, as stated on page two of the Order. It is
25 noted that **April 28, 2025**, is the correct deadline for the United States to file all necessary
26 documentation with ADWR to revise or amend the Certificates of Water Right, as stated in
the Order.

27 Additionally, page two of the Order states that trial is set to begin on April 26, 2026.
28 As April 26, 2026, is a Sunday, the correct date for trial to begin is **April 27, 2026**.

1 All other orders and deadlines associated with the March 3, 2025 Order remain in
2 place.
