MINUTE ENTRY

After review of the January 31, 2007, and October 15, 2008, reports from the Arizona Department of Water Resources ("ADWR"), as well as the comments submitted by various interested parties, the court finds that ADWR's position as to the current and prospective technical assistance to be provided in Arizona's two general stream adjudications is reasonable and appropriate. Therefore,

IT IS ORDERED approving the course of action outlined in ADWR's January, 2007, and October, 2008, progress reports.

IT IS FURTHER ORDERED signing this minute entry as an Order of the Court.
