DATE: October 15, 2014

CIVIL NO. W1-11-605

ORDER GRANTING THE
MOTION OF THE UNITED
STATES FOR AN EXTENSION
TO COMPLETE PRODUCTION
OF ELECTRONICALLY STORED
INFORMATION

CONTESTED CASE NAME: *In re Fort Huachuca.*

HSR INVOLVED: San Pedro River Watershed Hydrographic Survey Report.

DESCRIPTIVE SUMMARY: The Special Master grants the motion of the United States for an extension of time until October 21, 2014, to complete the production of electronically stored information.

NUMBER OF PAGES: 2.

DATE OF FILING: October 15, 2014.

The United States has requested an extension of time until October 21, 2014, to complete the production of requested electronically stored information (“ESI”). A privilege log is due on October 21, 2014, and the United States does not anticipate any delay in producing the log by then.

The United States avows that it consulted with counsel for Freeport Minerals Corporation, the party who has been the most active in ESI discovery, and counsel

“indicated that [Freeport Minerals] does not oppose the United States’ request to extend the deadline to October 21, 2014 for completion of production of documents and submission of privilege logs.”

The Special Master has considered the extent of the requested ESI discovery, the federal efforts to respond to the requests, Freeport Minerals’ lack of opposition to the motion, and the need for a prompt ruling. The motion of the United States will be granted.

IT IS ORDERED granting the motion of the United States for an extension to and including October 21, 2014, for final production of all ESI it has compiled and all other documents pursuant to the requests of Freeport Minerals Corporation and other parties including those documents currently withheld but subsequently determined to not be privileged or subject to a protective order.

DATED: October 15, 2014.
