

IN THE MATTER OF ELECTRONIC
ACCESS TO PUBLIC COURT
DOCUMENTS FILED IN CASES RELATED
TO THE NOVEMBER 3, 2026 GENERAL
ELECTION

The Court recognizes that certain cases generate intense national public and media interest. Meeting requests for access to court documents in such cases often results in increased workload for the staff of the Court and the staff of the Clerk of the Court.

In the upcoming general election to be held on November 3, 2026, there may be election-related litigation filed in our Court that results in significant national or local public and media interest.

IT IS FURTHER ORDERED that the Office of the Clerk of the Court has the discretion to determine what case records, if any, will be posted to and displayed on its public website, based upon the volume of requests for case records it receives and the level of public and media interest.
