MINUTE ENTRY

The Court has received The Hopi Tribe's Motion to Set Aside the Procedural Order Denying Motion for Continuance for a Courtroom Trial and Objections to a Virtual Trial and Motion for Expedited Consideration (filed July 17, 2020).

IT IS ORDERED:

1. Any responses (whether in opposition or support) shall be filed no later than the close of business on August 3, 2020.
2. Any replies shall be filed no later than the close of business on August 12, 2020.
3. Regarding service, in addition to the standard forms of service, the responses and replies should be e-mailed to interested parties to avoid any delays associated with remote worksites.

The Court recognizes that a request for oral argument has been made. In light of the issues, and given the extraordinary writing skills of the counsel involved in this litigation, the Court does not believe that argument would be helpful to resolve the issue. Although the Court reserves the right to set a quick argument once it receives the briefs, it suspects that it will resolve the issues without argument.
