Discussion regarding the purpose of the Cone of Depression Test Methodology and further scheduling of this matter is presented by Mark McGinnis on behalf of the Salt River Project, F. Patrick Barry on behalf of the United States Department of Resources, L. William Staudenmaier on behalf of Arizona Public Service Company, Gregory L. Adams on behalf of the Arizona Water Company and ASARCO, who joins with the scheduling proposed by L. William Staudenmaier, Carrie J. Brennan on behalf of the Arizona Attorney General's Office, William P. Sullivan on behalf of Pueblo Del Sol Water Company and the City of Sierra Vista, Sean T. Hood on behalf of Freeport Minerals Corporation, Janet L. Miller on behalf of the Arizona Department of Water Resources.

Ms. Miller states that Arizona Department of Water Resources developed the proposed Cone of Depression test for the purpose of identifying those wells subject to the Court's jurisdiction in this Adjudication. She further stated that she does not believe that the test was developed to determine whether a particular well is pumping and creating a cone of depression that would intercept the subflow zone.

Discussion is held regarding disclosure to all parties when and/or what information is requested from the Arizona Department of Water Resources by a party.

IT IS ORDERED taking the matter under advisement.

11:44 a.m. Matter concludes.

A copy of this order is mailed to all persons listed on the Court approved mailing list for Contested Case Number W1-103 dated March 2, 2017.
