

**Attachment B: Spousal Maintenance Arrears Worksheet**

I, \_\_\_\_\_, submit the following calculation of arrearage in this case:  
 your name

1. Enter amount of prior judgment (if any exists) by the Court for unpaid spousal maintenance as determined by that Court Order Dated \_\_\_\_\_, \_\_\_\_\_. (if no judgments exist, enter zero) \$ \_\_\_\_\_+  
 Month & Date Year Line 1

2. The following figures show how much spousal maintenance is owed (and includes credit for any maintenance paid) since either: (1) the date of the Order entered in Step 1 above, **or** (2) the date of the original court order establishing the maintenance payment if there was no prior order determining arrearages entered in Step 1. If the spousal maintenance order has not been modified since either the judgment in Step 1 or the original order, only use line a. If it has been modified, use lines b and c (and add lines if needed) to enter the same information for the modified orders. The Arizona Rules of Family Law Procedure require all columns be completed.

<u>Date Order Entered</u>	<u>First Payment Due Date</u>	<u>Last Payment Due Date</u>	<u>Number of Months</u>		<u>Monthly Payment Amount</u>	=	<u>Amount Owed on Order</u>
a. _____	_____	_____	_____	x	\$ _____.	=	\$ _____.
b. _____	_____	_____	_____	x	\$ _____.	=	\$ _____.
c. _____	_____	_____	_____	x	\$ _____.	=	\$ _____.
Total Amount Owed on Subsequent Order(s)							\$ _____+ Line 2

3. **Total Amount Owed** (add Amount of Judgment (line 1) and Amount Owed on Subsequent Order(s) (line 2) \$ \_\_\_\_\_+  
 Line 3

4. **Credits** (for amounts paid):  
 A. Amounts paid on above orders thru Support Payment Clearinghouse from \_\_\_\_\_, \_\_\_\_ thru \_\_\_\_\_, \_\_\_\_:  
 month year month year \$ \_\_\_\_\_.  
 B. Any amounts paid directly to you and not through the Clearinghouse for which you claim credit: \$ \_\_\_\_\_.

5. Total Credits for Total Amounts Paid (Add A and B in Step 4) \$ (\_\_\_\_\_.) -

6. Subtract Total Credits (line 5) from Total Amount Owed (line 3) for **TOTAL ARREARAGE** \$ \_\_\_\_\_=
